**4. Parking Lot**

- a. It was determined that next year's SCC would take care of this when it was safer to meet and the new chair could take it to the School Board.
- b. Jennifer Killiam still has the petition of all of the signatures.

**5. In person vs. Online learning-**

Parents, there will not be another opportunity to come back this year for in person learning. If your child is a sixth grader we do have a few spots left in that grade level only. Otherwise, we look forward to seeing our online learning Tigers next year. Thank you for all your hard work in keeping students motivated and learning. Regular registration will resume in the Summer for Fall registration. All students will be in person unless parents choose the online school. Rocky Point virtual elementary is open for 2021-22 school year.
