

Home of the Tigers!

Dear Terra Linda Families,

Welcome to a new school year! I am so excited to continue building memories together!

I feel honored to work with an outstanding staff that believes in doing what is best for students. I am excited to work closely with such a great community to ensure the well-being of our students. Our goal at Terra Linda is to make connections with students to help them feel valued, accepted, and safe. We take pride in what we do! We want to see our students grow academically, and into kind, respectful, and responsible citizens of the world.
