Dress Code:
>There have been official updates to the JSD dress code. The are far less restrictive than what parents may have experienced in the past, especially regarding hats, shorts length, etc. JSD policy essentially mandates that skin in the torso from the bottom of the hips/bottom area to the shoulders should not be visible. In the case of crop tops and high waisted pants, we are mostly concerned about skin below the top of the belly button. Students who are not in compliance with the dress code will be warned and provided with alternative clothing if necessary, but the goal is to keep them in school when possible.

Thank you:
>Thank you to the SCC and the PTA for all of the support this year, and especially during our Teacher Appreciation week! Thank you for all that you do!
